"Thank you very much!"

Thank you and congratulations to the fantastic cast and crew of *Scrooge! The Musical*.

It was truly a great production. Visually spectacular with a brilliant sound, it put every audience in the Christmas spirit.

Thank you to the many people who invested countless hours into this production. Theatre is a love we all share and it is never more evident than the time we spend together at the River Run Centre.

Thank you all for creating yet another fantastic RCMPI production.
