RCMPI lost a true friend this week with the passing of Gary Chapman.

Gary was a life member of RCMPJ, having contributed to countless productions. "Being onstage was his passion, starting in rock bands as a teen, and into his adult life." He was a mentor to many both behind the scenes and on the stage.

We will remember Gary fondly, and Lin and family are in our thoughts and prayers.

Donations to the Canadian Cancer Society or to the Heart and Stroke Foundation would be appreciated by the family.

"No one here to guide you, now you're on your own. Only me beside you, still you're not alone. No one is alone." -Into the Woods
